Cornucopia Hotel

Welcome to Cornucopia Hotel

Located on the outskirts of the picturesque Gozitan village of Xaghra, on a high ridge with views over the fertile Imrik valley over to Victoria and down to the sea at Marsalforn, the Cornucopia Hotel has been attractively converted from a traditional farmhouse into a 48 room hotel.

With the bar and lounge area dating back over 300 years, the décor throughout the hotel is traditionally Gozitan from the limestone walls to the arched restaurant with a relaxed and peaceful atmosphere throughout. The Cornucopia makes a special feature of its grounds. Two freshwater swimming pools, a whirlpool and a childrens' pool are set among gardens and terraces.

Across the road from the hotel lie the Cornucopia Bungalows. Split into two complexes each one with a pool, each bungalow has its own private terrace with beautiful views.

The Cornucopia Farmhouse is a two bedroom farmhouse and lies on the grounds of the Cornucopia Hotel, right next to the main pool, whilst the Masri villas are situated in a complex approximately 10 minutes drive from the hotel in Xaghra itself. The Masri Villa Complex consist of five villas and two apartments clustered around a landscaped swimming pool.

This family run complex is a haven for those who appreciate good service, fine food and a truly relaxing atmosphere.
